The Editor Speaks

There is regret, almost remorse, for Time Long Past. These lines, written by Percy Shelly partly express the mixed feelings of regret and anticipation that we are experiencing at our time of departure.

We hope that the 1963 edition of the RIVIERA will in some measure provide a tangible memory of our eventful years at Riverside.

Dedication . . .

honoring a favorite

The Senior Class is proud to honor MR. O.T. ROBINSON who has done much to promote building of character among our student body.

Our Principal Speaks

Dear Seniors:

You have now reached the end of what was supposed to have been a continuous "4-stage" journey. Each of the stages should have been within itself the completion of a definite effort whose purpose was to arouse within each of you a desire to meet the challenge thrown to you by the next stage. Since you have apparently succeeded in this effort, may I wish for each of you good Health, Happiness, and a reasonable share of the world's prosperity.

Cordially yours,

C. A. HARRIS.

Franklin County Speech Therapist

We are proud to have Miss M.L. HILL, a former Riverside faculty member serving as Franklin County Speech Therapist.

Our Counselor

MRS. V.H. LEVISTER, busy at her job of counseling.

In Tune of:

Where The Sunset Turns The Ocean's Blue to Gold

Dear old Riverside Union,
it's time to say good-bye;
'though it makes us very sad to leave you now.
As we travel to and fro,
we would like for you to know,
Our hearts well always turn to you with pride.

All the things you taught us daily,
we will ne'er forget them really,
and our hearts will always thrill to hear your name.
As we travel this world wide,
you will always be our guide,
for our love and trust in you will never die.

MARIAN J. BRODIE
ANNIE G. THOMAS

Class Poem

Although the road was rugged,
we strove to do our best.
Though some were lost by the wayside,
the successful ones passed the test.

Now at the time of leaving,
sadness fills our heart.
We are at times found grieving,
because we have to part.

We always will remember,
Dear Riverside, our home.
We oft will be found sighing,
as down life's road we roam.

We won't forget what you've taught us,
as the years roll swiftly by.
To your name we will be loyal,
and our school spirit will never die.

LENA B. TANNER

Last Will and Testament

We the class of 1963 of Riverside Union School being of sound mind and body after four strenuous years, do make and publish this our last will and testament hereby revoking and making void all former wills heretofore made by us.

To our Principal we leave our love and gratitude for the work and time he has devoted to us. To the entire Faculty we leave our sincere appreciation for the work and time they have contributed toward our well-being.

To the Junior Class we leave our ability and dignity. We hope that their Senior year will be as enjoyable and productive as ours has been.

To the Sophomore Class we leave our kindness and patience which we believe will prove useful in enduring the Freshmen.

To the Freshman Class we leave our sophistication and our ability to start off on the right foot so that their High School Education will benefit them as ours benefited us.

Class history

The Senior Class of 1963 started off four years ago on a long tedious journey into outer space. We were a little puzzled, but we boarded our space ship and prepared for take-off with Mrs. I.W. Foster and Mrs. R.T. Maxwell at the control panel.

We were further organized as follows: Lena Tanner, President; John Perry, Vice-President; Mary Perry, Secretary; Juanita Macon, Assistant, Secretary. The student council was explored for the first time by Barbara Williams, Marian Brodie and Earnestine Gatling. As we looked out of our spaceship window we saw these persons participating in favorite sports. The football team was filled with the muscles of James Powell, James Cheek, Raymond Davis and James Hampton. Dorothy Stallings and Earl Dent made the Basketball team, and James Powell ran track.

One year after our successful take-off we landed on a planet called Sopho. We were a little tired from traveling a whole year, but we were determined to complete our mission. Ten A Started off with a big bang when they elected Helen Branch as their leader. Her co-workers were Willie Mae Harris, Vice-President; Marjorie Dunston, Secretary; Francis Bobbitt, Assistant Secretary and Fred Fogg, Treasurer. They were not ahead of 10 B because we had quite a powerful blast ourselves. We elected Mildred Perry as our leader. Lena Tanner served in the vice-presidential spot. Lucille Lemay held the secretary's position with Mary Perry as her assistant. Charlie Spivey was honored with the treasurer's position.

This year like the first also had a number of sportsmen. James Cheek, James Powell, James Hampton and Raymond Davis had become regulars on the football team. James Powell and Dorothy Stallings were on the basketball team.

We were also honored to have Marjorie Dunston, Glendora Thomas and Marian Brodie represent us on the student council. The main event of our Sophomore year was the crowning of Ruby Hawkins as MISS RIVERSIDE HIGH.

Somehow over the period of two years some of us strayed away from our main course but with Mrs. Foster and Mrs. N.A. Dunston at the control panel most of us continued to head for our goal. We started off our Junior year by electing John Perry, President; James Cheek, Vice-President; Marian Brodie, Secretary; Jean Cheek, assistant secretary; and Rebecca Yarborough as treasurer.

Continuing our good sports record Dorothy Stallings, Marjorie Dunston, James Powell and James Cheek were successful in making the basketball team. James Powell, James Cheek, James Hampton and Raymond Davis were still carrying the old pigskin.

We were happy for Mary Elizabeth Greene who won third place in the Shriners Debutante Ball.

With three successful years of traveling we finally rested on one of our wayout planets, Juno. At one of its famous gymnasiums we held our JUNIOR-SENIOR PROM. Our theme was "An Evening in Outer Space." The Downbeats of Warrenton, North Carolina furnished the music. After this big event the Junior class started planning for a more exciting event "GRADUATION."

We had managed to save enough fuel for a final round of exploring during our senior year. Marian Brodie, Marjorie Dunston, Glendora Thomas and John Perry continued to represent us on the Student Council. James Cheek, James Powell and Robert Davis represented us in football and James Cheek, James Powell, and Marjorie Dunston on the basketball team.

In the spring of '63 we began to prepare our spaceship for re-entry. On the checklist of preparations was Class Night and Commencement exercises. Since the day we started many had fallen by the wayside. I am sure by now they are somewhere out there in outer space in orbit.

May 1963, we finally reached our destination. Those of us who were successful are now preparing our ships for many more exciting voyages.

Class Prophecy

On a cold bleak day in Alaska, my companion and I were preparing for a big day at one of its well known Ski Lodges. Thoughts ran through our minds about the days we spent at Riverside Union School, and how we would like to hear from our dear old classmates.

We were about to go out on the ski slope when we met one of our classmates, WILLIE MAE HARRIS, who filled us in on all the details which seemed to warm our hearts but not the weather.

It was to our surprise to learn that FRANCIS BOBBITT is married to JAMES CHEEK and living in Los Angeles, California.

We were happy to know that RUTH MACON is Stewardess for Eastern Airlines.

EFFIE WILLIAMS, LINDA PETTIFORD and MERTIS WILLIAMS are nurses at John Hopkins Hospital in Baltimore.

MARY PERRY, BERTHA MANGUM and LUCY HAYES are secretaries for SHELLEY KELLEY, a professor at Howard University.

LENA TANNER is engaged to WILBERT HARRIS and plans to wed in June.

JAMES POWELL is the Physical Education Teacher at North Carolina College at Durham.

ALICE PERRY and DOROTHY THOMAS are hair stylists in New York.

ENOCH NICHOLSON, BOBBY WILSON, and JAMES ROUSE are in business for themselves building sports cars.

DOROTHY STALLINGS and REBECCA YARBOROUGH are on the Cornell University Faculty teaching shorthand.

GLENDORA THOMAS is music instructor at St. Augustine College in Raleigh, North Carolina.

JOHN PERRY is an English instructor at the University of North Carolina.

MARY GREENE, GEORGIA EDGERTON and HELEN BRANCH are models for JET MAGAZINE.

JEAN CHEEK is an opera singer in Hollywood.

ALFONZO MEEKS is the leader of a group called the Flames, their latest song is "Lost Someone But I Don't Care."

RAYMOND DAVIS, RAYMOND FOGG and ROBERT DAVIS are pilots for the Transworld Airlines.

QUEEN HARRIS, BERMADINE ALSTON and LOUISE BOLDEN are working at Duke Hospital as Medical secretaries.

WILBERT JEFFRIES, JAMES R. DAVIS and CHARLES DAVIS are ministers in Washington, D.C.

FRED FOGG, JOHN HOLDEN and CLAUDE HARRIS are millionaires in Paris, France.

MARIAN BRODIE is a ballet dancer for the Red Skelton Show on ABC-TV.

MARJORIE DUNSTON, LILLIE BRADFORD and MABLE CLEMONTS are in the Air Force.

LUCILLE LEMAY and JUANITA MACON are in Germany trying to get one of Uncle Sam's men for their supporter in 1973.

GLENN LEWIS is now a photographer and has been awarded the contract to take all Riverside pictures.

After we had been informed by Willie Harris about our dear old classmates, she said good-bye sadly and went into her office of the beautiful lodge. It gave us a feeling of pride to know that so many of our classmates had met with such great success.

Organizations

Student Council

The primary aim of the Student Council is to give actual experience in the techniques of democratic processes.

Science Club

The Science Club offers an opportunity for the recognition of scientific talent and motivation of students for scientific experimentation and discovery.

Library Club

The aim of the Library Club is to enable the student to possess the power to magnify himself, to multiply the way in which he exists, to make his life full, significant and interesting.

Some Library Club members exploring the world through books.

The aims of the N. H. A. are to promote individual growth, better home living and wholesome recreational activities.

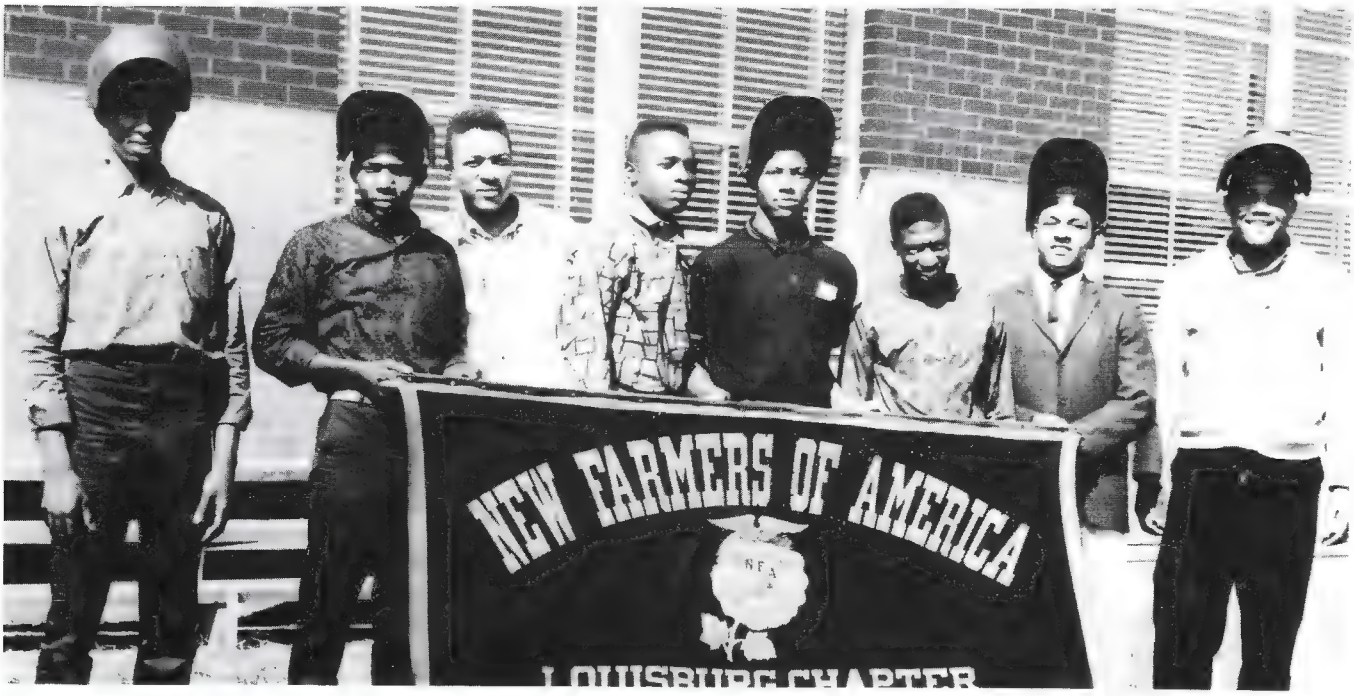
New Homemakers of America

Some club members are shown working on a club project.

This organization affords its members an excellent opportunity to develop a type of leadership which is very essential for the changes which are facing the young people of today.

New Farmers of America

Senior N.F.A. Members are shown wearing welding helmets used in some class projects.



Girl Scout Troop 4-16

The Girl Scout Organization is dedicated to helping girls develop as happy, resourceful individuals willing to share their abilities as citizens in their homes, their Communities, their country, and the world.

Girl Scout Troop 4-9

Senior Girl Scouting provides an opportunity to develop a well-organized life—physical, spiritual, emotional and social. Through Scouting everything in life becomes interesting and fun, and it prepares for a happier, healthier, and more responsible citizen.

Brownie Scouts

Brownie Scouts are the youngest members of the Girl Scout Organization. The purpose of this organization is to help each girl become a happy resourceful person, a responsible member of her group.

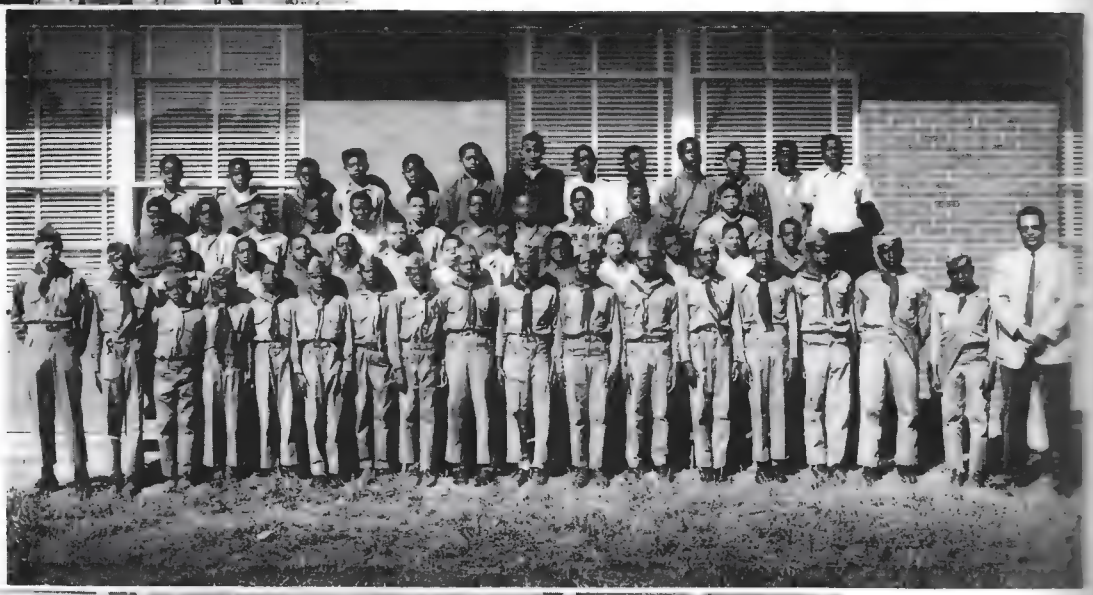
Girl Scout Troop 4-8

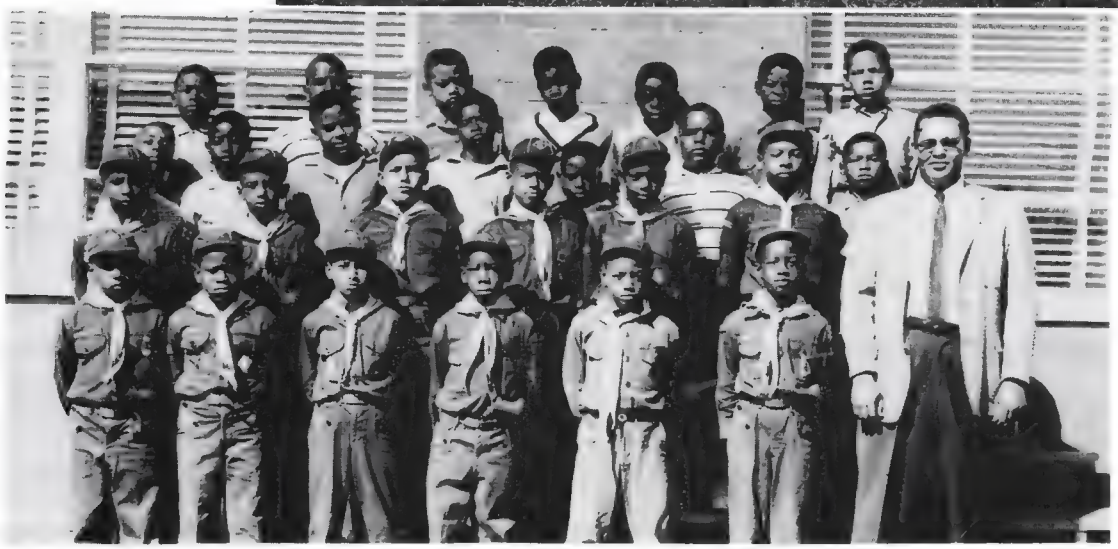
The Girl Scouts seek to develop responsible women through its varied activities.

Boy Scouts

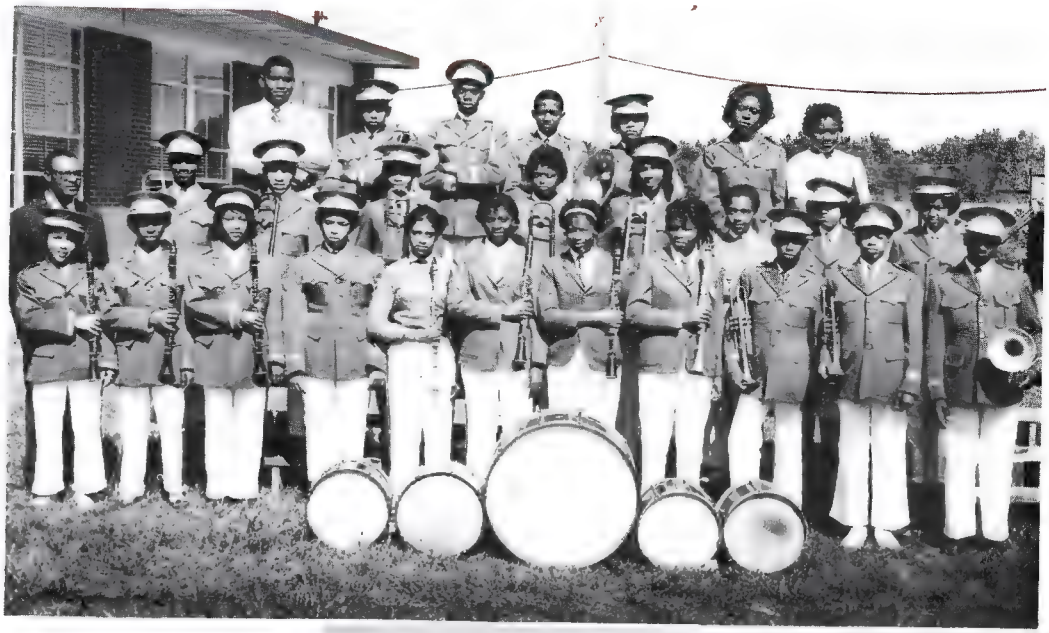
Life Scouts Earnest Wilkins and Otha Wilkins with Scout Master Mr. K.B. Battle.

Troop 56





Cub Scouts
Pack 11



Band

The purpose of the Band is to improve the musical talents of all interested students.

Major-ettes

The purpose of the Majorettes is to add color to the band. Shown here representing our majorettes are Ann Harris and Carrie Evans.

Choral Club

The primary aims of the Choral Club are to introduce and develop music reading skill, to emphasize the importance of the singing voice, and to furnish a richer basis of singing experience.

Cheerleaders

Our Cheerleaders have the happy job of cheering our teams on to victory.

Bus Drivers

These boys and girls have the important job of transporting a large number of our students to and from school each day.
